

# Are You An Animal Lover?

... Are you in our neighborhood:  
Concord, Lincoln, Lexington, Bedford, Carlisle ... or nearby?

**W**e are *The Nature Connection*, a non-profit that brings animals and nature programs to people with limited access to the outdoors – people with disabilities, youth at-risk, and elders. For over 25 years we have been bringing healing, education and joy to hundreds of isolated individuals in Concord and Greater Boston.

## *Here Is How You Can Help!*

- \* **By adopting** (permanently) an animal that we could “borrow” for daytime programs  
**OR**
- \* **If you already have animals** with therapeutic potential, let us “borrow” them for daytime programs

### *Animals needed:*

- Rabbits
- Dog (needs to be, or become, certified therapy dog – please call for details)
- Hamster or gentle guinea pig or mouse
- Birds, i.e. finch or other gentle birds (we have a dove)... or ducks!
- If you have another sweet animal let us know!
